## Kinsmen Rodeo a big success

### Keith Hyland Top Cowboy

Keith Hyland of Turner Valley had himself a real day at the St. Albert Rodeo, winning The All Around Champion, High Point Champion. He was presented with the Saddle Trophy as winner of the Saddle Bronc Riding event by Mr. Nick Kalynchuk, Manager of the Bruin Inn, and with the Silver Buckle presented by Don Sinclair on behalf of Ross Trucking Service Ltd. for winning High Points.

Joy Duce of the trick riding team was awarded the Canada Packers Trophy for the Barrel racing event. Malcolm Jones of Lethbridge piled up 64 points to top the Bareback Riding event, Dave Garstad with 62 won the Bull Riding, a cowboy from Veteran. Barry Edge of Cochrane had top Calf Roping time of 12.4 seconds and best Wild Cow Milking time was

Pat McHugh's (de Winton) 25.4 seconds.

Hyland won the Saddle Bronc Riding, with 64 and the Steer Wrestling with 5.5 seconds timed. Top cowboys

from as far away as New Mexico, Ft. Smith, Arkansas and Albuquerque competed for the money and all but one of Canadian championship cowboys took in Rodeo 106.

### Planner speaks to Chamber

The monthly Chamber of Commerce meeting held on Tuesday June 14, was attended by twenty-two members, being slightly less than 50% of the membership.

Mayor Fowler and Mr. J. Woodroffe of the Edmonton Regional Planning Commission both attended to present the town's proposals under Urban renewal.

After the dinner and disposal by chairman J. Byrne of matters arising out of the minutes the floor was given to Mr. Bull of the St. Albert Television, who gave a very well prepared and documented talk on Urban Renewal as applied to St. Albert. He could think of nothing good to say about it, accusing the council of everything from retarding the growth of the town to assembling land for private developers.

The floor was then taken by Mayor Fowler who was somewhat annoyed at what he considered "the mis-statements and half truths in Mr. Bull's presentation". And without the aid of notes gave a half an hour's very lucid talk on Urban Renewal as applicable to St. Albert. During the talk of which he demolished completely all the arguments put forward by Mr. Bull. Included in the many points he made were

the following. Urban Renewal in St. Albert involved mainly older homes in the downtown area in fact the only business premises involved were Mr. Bull's. Over 60% of the area concerned was already owned by the town under tax defaults. The area was available to any developer large or small who made appropriate application. It was proposed to widen the Piron St. bridge. Improved access from the highway was under study. A marked absence of knowledge of most businessmen of what was involved was one of the comments made by Mayor Fowler.

Mr. Woodroffe gave a summary of what Urban Renewal meant to St. Albert and invited anyone interested to come and see him at any time regarding this or any other matter.

These talks were followed by a very lively discussion from the floor during which the Mayor and Mr. Woodroffe answered many questions.

### They need our help

Do you have a neighbour whose children require special schooling and treatment from schools and hospitals in Edmonton, and are finding it difficult to find regularly scheduled transportation to and from these institutions? Do you know and understand what some of their problems are? Ask yourselves these questions. What is aphasia, cerebral palsy and the many other crippling diseases that befall our children?

Imagine waking up some morning, and as you begin to speak the world seems to have turned topsy-turvy. People can't understand what you are saying. You or perhaps its one of your children, attempt to say one word, and a different one comes out.

### Mayor's Column

I was disappointed to read in last week's Gazette that two residents in the Town of St. Albert are soliciting support to defeat the third and final phase of the Recreation By-law which was presented to the electorate of St. Albert last October. If the petition is successful and finally presented to Council, it will be the second petition against these facilities. I am sure all my readers will recall that this By-law was petitioned against prior to last October's civic election and as a result was placed before the people and voted on last October. When the vote was called on this Recreation By-law, 73% of the people voting voted in

favour of its passage and I would suggest that the 73% expected that these facilities would be built. It is of course regrettable that the cost estimates received by the Town were not completely realistic in that the swimming pool ran somewhat over the estimate, however, not to an extent that necessitated further borrowing. The tennis courts will also be somewhat over our original estimate due to unforeseen circumstances which could not be detected at the time we tendered. In the particular case of the tennis courts, the St. Albert Tennis Club has seen fit to come to the rescue of the

Chatting at the CWL Art Exhibition in the Library Sunday are Miss Bernadette Law (left) Sister Canisia, two of the Judges and Mr. and Mrs. Chuck Tennant of the Centennial Committee. Notesamples of local art in background. Gazette Photo.

### Local art show opens at Library

The Centennial Art Exhibition held under the sponsorship of the Catholic Women's League is now open to the public. Thirty-four paintings all by local artists are on display in the Lecture Room of the St. Albert Centennial Library. Judges at the exhibition were Sister Canisia, Art Supervisor for the Edmonton Separate School-board, Miss Bernadette Law, Education Supervisor for the Edmonton Art Gallery and Mr. P. H. Henson, who teaches painting at the Extension Department of the U. of A. The three winning paintings were announced, the choice, said Mr. Henson was unanimous. "We walked in, examined the work on display and we all three agreed."

Winning First Place Honours was "Old Town" by Leonard Keeling. Second choice was "Mountain Fall" by Leonard Keeling and receiving an Honorable Mention was "Spring", by Marie MacRae. Mr. Henson said: "Old Town," which will be purchased by the C.W.L. and presented to the Library is a "very interesting piece of work." He said the technique is good and the artist used interesting shapes and colors.

Mr. Keeling described his winning painting as an "abstracted painting, done in water color style but using acrylics". Viewers will enjoy searching for such familiar St. Albert scenes as the old bridge (which is the only one we could identify) the

Church on the Hill and Chriss' grocery store. Mr. Keeling assures us all these scenes can be found in the painting.

Mrs. Marie MacRae, a St. Albert homemaker who majored in Arts at the U.B.C., said her oil painting "Spring" is an "expressionistic" painting. We saw in it bare trees, with the first green of spring just making its appearance.

No matter what your tastes are, you are sure to find a painting you like among the many on display. The collection includes land and sea scenes, still lifes, Indian Portraits, and yes... the "which side is up" kind! Do drop in at the C.W.L. Art Show, open during regular Library hours. You will enjoy it!

### Lions plan big Dominion Day

"Bring your family and meet your neighbours". This is the invitation extended by the St. Albert Lions Club to all St. Albert and District residents to join in the fun and celebrate Canada's 100th Birthday at a giant picnic to be held Saturday, July 1st, at the Lions Park. The Park will be officially opened for the season at 1:00 p.m. by Mayor Dick Fowler.

The Lions have planned a fun-filled day with games and races for the children. A concession booth will be open throughout the day. The horse shoe pits are ready for use and the Lions, who have declared themselves "Horse Shoe Champions of the Sturgeon Valley" have issued a challenge to the Kinsmen! We think the Lions are asking for trouble, and they would do well to remember the Old St. Albert Proverb: "Where

Kinsmen go, can RAIN be far behind?"

There's been a regular building boom at the Lions Park. Lion Bob Logan tells us a picnic shelter, which is identical to those provided by the Provincial Government, seven campstoves, a drinking fountain and a camping shelter have been recently added to the park. The Lions have spent in excess of \$5,000, on the park during the past year. Work parties made up of volunteer Lion labour are busily hammering, painting, digging and building Thursday evenings and Saturdays. Money raised through the Annual Lions Light bulb sale and occasional raffles is all going into the park.

Lion Bob said vandalism unfortunately, is still a problem. Fence posts are being knocked out with regularity, the water in the drinking fountain is being left running and the Lions are finding it hard to keep cars out of the park proper. There is ample parking on the Shopping Centre lot and some parking is available just outside the park gate.

Lion President George Willis, Park Chairman Bill Webber and Picnic Chairman John Huberdeau extend a cordial invitation on behalf of the 53 St. Albert Lions to all people in the St. Albert area to join them at the Lions Dominion Day Picnic, Saturday, July 1st from 1:00 - 9:00 p.m. at the St. Albert Lions Park. And, if you feel like dressing up, by all means, wear your Klondike Clothes! See you there!

### Things went very well report local R.C.M.P.

ed out that Nick had thrown out a fellow causing some trouble and thought he was trying to force his way back in. So Nick and the mountie had a good laugh.

The police were also kept busy with a lot of car accidents, but all were of a minor nature. 28 hub caps were reported stolen and three young men were quickly apprehended. One hit and run case, not serious, was also solved promptly.

In case anyone is wondering why the Sergeant pulled the Labatts Float out of the parade on Piron Street, he had a rush call from a Kinsmen that the driver had not been told he could not clear the bridge.

The R.C.M.P. police reported excellent co-operation from the Kinsmen, with "Considering that there

were upwards of 15,000 people in St. Albert on the week-end, things went really well" reported Sergeant Reinbold of the St. Albert R.C.M.P. detachment. He estimates that the 7 staff members worked an average of 18-20 hours each and two plains clothes men from the city detachment were on hand to assist. One midway operator was charged with cheating at play and his "Swinger" booth was shut down Saturday. He is presently on bail in Edmonton.

The mounties handled quite a few fights - but not as many as expected. One call to a fight at Bruin Inn saw Nick stoutly holding the door closed from the inside while the policeman was struggling to open it. It turned out to be a communication

tion between them aiding in running things smoothly. Highway patrols were also busy but there were no serious accidents.

### fountain unveiled

"Interesting", "Sure different", "Graceful", "Just perfect for the building", "I don't know, I guess it takes getting used to", "Lovely, just what's needed".....These are just some of the remarks made Monday evening by the guest attending the presentation by the Father Lacombe Chapter of the I.O.D.E. of its Centennial Project, a Fountain to grace the new St. Albert Centennial Library.

Mrs. C. B. Linton, Provincial President of the I.O.D.E. officiated at the unveiling ceremony, along with Mrs. Wm. Scott, Regent of the Father Lacombe Chapter and Mrs. L. Hole, Program Chairman. Mayor R. S. Fowler replied on behalf of the town.

Mr. Andersen who did the fountain is considered one of Canada's leading metal sculptors. Some of his work can be seen at the Mee-Yah-Noh Public School in Edmonton. He designed Westminster's "Fighting Bull" and also a fountain in Edmonton's Chancery Hall. The fountain, we think, is most effective when the building is quiet. For it is then that the serene, ever so relaxing sound of the water softly washing down the rock-filled passages can be enjoyed to the fullest.

Mr. Andersen told us the Library architect had wanted to see water rushing softly, somewhat like a babbling brook. The sound is very important in a library, Mr. Andersen added. A loud, splashing sound just would not be functional. Mr. Andersen said he tried to relate the design to the surroundings, keeping in mind the nearby Sturgeon River. Mr. Andersen used copper, steel and brass in the fountain, which, he said, he hopes "does not offend anyone", but will provide a "quiet

Continued on page 8

# the Gazette REFLECTS

A TIME TO LOOK BEFORE WE LEAP

Council meets next Monday to consider Councillor Bakker's motion to split the Parks and Recreation Department. This matter requires some very careful thought before support is given a motion that could well work to the serious disadvantage of St. Albert.

A split department would mean two qualified and therefore well paid administrators — one for Parks and one for Recreation. This year's budget estimate for Parks and Recreation was originally cut by nearly one-third and subsequently cut twice more, as Council determinedly held the mill rate to 57. (One of the "cuts" was the summer playground program).

In view of this situation, and considering the special nature of St. Albert, a "Dormitory Town" in the language of the planners, a more reasonable course of action would be dissolving the position of Recreation Director for the present.

Councillor Bakker's lengthy "brief" attempted to discredit Superintendent A. R. Gate as a recreation administrator — even stooping to a distasteful reference to Mr. A. R. Gate's ability to communicate in the English language.

The councillor however, did not do all his homework. His brief should also have set forth clearly what actual work is being done by the present non-resident Recreation Director. He was present at the meeting but not asked to speak.

St. Albert is a community with a heavy percentage of population under the age of 25 — We would be interested in knowing what the recreation director has done (and/or is qualified to do) to develop programs for the needs of our teenagers. We would be most interested in a detailed account of his activities for the past six months showing the results accomplished. If he is completely hamstrung by budget restrictions, then obviously the post is superfluous at present.

Mr. A. F. Affleck, School of Physical Education, University of Alberta, has defined community recreation as "the sum total of all recreation programs and opportunities under the sponsorship of all agencies both public and private".

Under this definition St. Albert has one strong advantage over many other towns in Alberta. Its population is larger and it has a wealth of capable and willing citizens who can and do immensely further our recreation program through their assistance. This is true of hockey, baseball soccer and other sports programs and of a variety of arts and crafts programs. Any moves by Council in the area of Recreation will surely take cognisance of this pool of resources.

We could look a long time for a recreation administrator more able and willing to work with and assist these volunteers than A. R. Gate. He has been in St. Albert since 1958 and has seen our community grow from about 750 to nearly 10,000. Through out his years as Parks Superintendent (from 1960), — (Parks and Rec. since 1964)

his policy has been consistent. He believes the Parks and Recreation Superintendent is a public servant and as such must work closely with all individuals and groups in the community. That the best interests of Town Council, Town Parks facilities, Joint Use agreements and recreation needs must be interwoven for best advantage of the community as a whole. That current

programs and future planning must at all times have under advisement the money available for the Department.

And Mr. A. R. Gate has, over nine years, adopted the attitude that, if groups and individuals in St. Albert are willing to give of their leisure time to promote Recreation, then the Parks and Recreation Superintendent should also work extra hours whenever his assistance is needed.

Mr. A. R. Gate has fully informed himself on all matters and new developments pertaining to Recreation. Three points are worthy of note. St. Albert has been able to take advantage of Provincial assistance under the Preventive Welfare program. Council has been fortunate in that Mr. A. R. Gate has taken on numbers of men from welfare and achieved outstanding results in rehabilitating them. We have presently a number of men doing a good job in his department who would otherwise be a welfare drain, and the province will pay 80% of their salaries once the agreement is ratified.

They are all local people and St. Albert has benefited two ways.

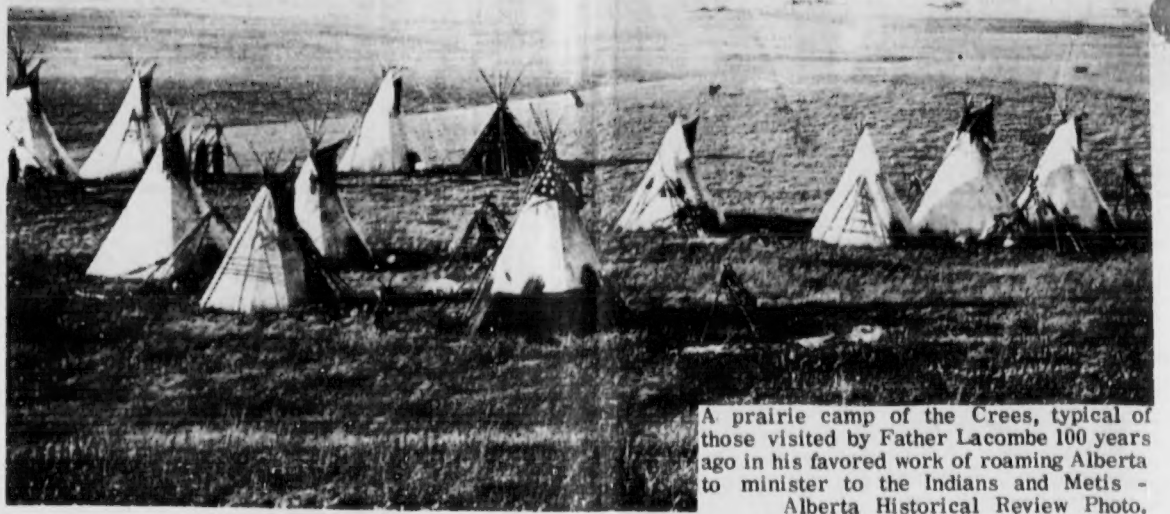

The second point is that in his years here Mr. Gate has gained considerable respect in three significant areas: He is highly thought of in the Department of Youth and Provincial recreation circles; he is respected and liked by his staff and the community people who work in recreation have had excellent co-operation and support from him.

Faced with our present situation St. Albert can best operate under a combined Parks and Recreation Dept., under this superintendent and continuing to use in full measure all the volunteer assistance available here, who require only administrative help.

Instead of splitting this department Council should consider doing away with a recreation director — plan for a sports or part time director when the budget allows and reconsider its present policy of charging the Parks and Recreation Department for the use of Town equipment to service Town facilities. Which is simply robbing Peter to pay Paul and adds an unfair burden to Recreation budgeting, which the Town Engineer's budget might better absorb.

Councillor Bakker has been outspoken. Perhaps the other Councillors will be heard from more fully at the next meeting. The people of St. Albert will be watching with interest.

## Historic St. Albert

A prairie camp of the Crees, typical of those visited by Father Lacombe 100 years ago in his favored work of roaming Alberta to minister to the Indians and Metis — Alberta Historical Review Photo.

One evening in October when Father Lacombe was in a small camp of Crees he had a new experience. The night prayer was over, but about twenty old men lingered near the priest's tent smoking and talking with him.

The long twilight lying in a gold fringe of light over the prairies was a beautiful hour; to Father Lacombe sitting among his old warriors, smoking his pipe with long draughts, and imbibing the quaint wisdom of the primeval races, it was particularly beautiful.

Suddenly their pleasurable calm was broken into by a rude war-chant!

"Heh! Heh! Hi-yi-ho-hohun!"

A band of young warriors returning from a hunt came riding out upon the ridge of land to the west. They advanced with the haze of orange light behind them, their ponies darkly silhouetted against the sky, their voices rising and falling in wild triumph.

They dashed into the encampment on panting ponies. The old men looked up with interest enquiry; the women and children roused from their tents came eagerly out to greet them, while the returned warriors proudly exhibited a prisoner, a young woman of one of the southern tribes.

When she caught sight of the priest sitting among the old men, she slipped from her horse and threw herself at Father Lacombe's feet, crying softly to herself. She was clad in white deerskin tunic, and her long dark hair was hanging loose about her. As she lay there the young men described with enthusiasm a chance encounter with a small band of Sarcee hunters, in which this woman's husband and a couple of others were killed.

### FATHER LACOMBE TELLS THE STORY:

"I heard their talk. When they finish,—'Bon,' I say. 'Who owns this woman?'"

"I do," said one young warrior, a strong proud-looking man.

"Well, I want you to sell her to me."

"They all laughed. 'I thought,' that young man said, 'you Men-of-Prayer did not want women.'"

"I was cross then, for if you let an Indian be rude or too familiar with you, he keeps on and you lose all control of him."

"Ha, you are a brave man!" I said, "You make a weak woman a prisoner: now you come and say a thing so stupid to me. You know well why I want to buy this woman."

"I know," the man said then ashamed at my voice. "But I do not want to sell her. I want her."

"He looked at her, when he said that: she was a fine young woman, you know. 'I want a wife,' he said, 'and I have nothing to buy one.'"

"Well if you will sell this one now, I will give you a horse; and I will give you goods from the Fort — a new coat — and shirt — and leggings for yourself, and some tea and tobacco."

"I speak this all slowly, and I add to it because he did not look willing at first; but when I had finished he said quickly:

"Ha! you may take her. You offer much for her."

"He was so quick at the last I think maybe he was afraid I would change my mind about paying so much."

"Then I say to the young woman: 'You are my property now, you see' — and I put my hand on her head and speak severely: 'You must do what I tell you and go only where I tell you.' I was afraid she might take up with another Cree warrior by-and-bye, and the two run away from the camp."

"And I had my mind made up already to take that girl back to her people: Oh, I was planning a grand COUP."

"She told me she was a Sarcee girl and that she knew my face when she rode in to the camp. She had seen me once when I was down with the Blackfeet and her own people, who are of allied nations. She prayed me now to protect her."

"I gave her in charge of a good Christian family, until we brought her up to the Sisters at St. Albert."

The Sarcee girl had now reached a haven in the little log convent, where during the winter she learned a little English together with the white women's ways. Next spring we shall see her figuring again rather dramatically in Father Lacombe's history.

To be continued next week.

## OUR READERS have their say

Dear Sir:

I'm beginning to wonder if anything in this town can be done without a plebiscite. Last fall tax payers voted in favour of constructing a swimming pool and an arena. Some people had pushed for a covered swimming pool, which would have meant no arena. Town Council decided the middle road the fairer one so drew up a money by-law to that effect. A petition was promptly circulated that gathered enough names to force a plebiscite. It only bore out council's decision.

Well, we got the swimming pool this year, at considerable more cost than had been estimated because of rising building costs. In effect, the plebiscite by the delay it caused, really hit the taxpayers in the pocketbook.

The arena is to be built this fall. There is a hitch here, too. The cost, originally estimated at \$75,000 now is to be \$125,000. Council has drawn up another

money by-law asking for authorization to borrow the extra \$50,000. Figure it out. Another petition is already in the works.

The arena will come to a vote this fall and you can believe this, it will be passed. There are enough backers of minor hockey and figure skating to see to this. And here's where council made a big mistake. The by-law should not ask for \$50,000; it should ask for \$75,000. Then it could be assured that it will have enough cash in the kitty to meet the probable rise in costs the year's delay will cause.

They will rise; actually there's no doubt of that. And that's what makes this petition a bad gamble. It could cost the people of St. Albert dearly, as much, possibly as the interest the town will pay on the \$50,000 it wishes to borrow.

The town has been authorized to spend \$75,000 on an arena. If it doesn't spend it

now the issue will come up again in a few years. The \$75,000 then will be but a drop in the bucket, but some who said we weren't ready before, will side with those who said we were and an arena will be given the go-ahead at a price tag of \$300,000. But then somebody will get up a petition and the arena will be built the next year at a cost of \$325,000. So before this petition is submitted to council, I think

that to be acting as fully responsible citizens of this town, the people behind it should have a solid indication that they are going to get the required backing when the issue comes to a vote. If the money by-law is passed, it isn't egg on their faces, it's money out of our pockets and another year's wait for something for which we have waited far too long.

# Soccer Teams Still Winning

St. Albert Hercules Soccer teams continue to show up strong in Northern Zone competition and the game has really caught the imagination of the young fellows. Their enthusiasm is beginning to be matched by the fans who are turning up in increasing numbers at both home and away matches, and giving vigorous support to their favorites. Here are the game reports for the week's play. (The Bantams got "queered out" by the weather).

## ST. ALBERT HERCULES MIDGETS 3 - BELVEDERE 2

Wednesday's game provided plenty of thrills for fans who accompanied the Hercules squad to Edmonton for the second meeting with Belvedere. St. Albert thoroughly deserved their first win against the reigning Edmonton champions. The work of "Little John" Netlenbos in goal added confidence to the team; although short of game practice the goal tender showed poise and style beyond his years in handling the shots which came his way. Throughout the game the squad maintained a blistering pace which could not be matched by the opposition. The quick tackling and interceptions by halfback Wayne Dorn and that tower of strength Jens Oster whose booming kicks led the way for the forwards to harass the opposing defence proved a strong combination for St. Albert. The experience of centre forward Sid Allen which showed in his heading and distribution of the ball is developing more cohesion among the forwards. Right wing Bob Mann scored the opening goal from 35 yds with a high kick that dropped

under the bar. Allen placed the ball neatly past the goal keeper from the penalty spot to register the second goal. After continued pressure by the forwards Ken Ahronson banged the ball home from a melee in the goal mouth to close out the scoring for the Hercules squad.

The hustle and thrust of inside right George Coward and the speedy side line dashes of left wing Keith Ahronson who was unlucky with a bullet shot in the dying moments of the game caused many anxious moments for the opposition. It is evident that the team spirit displayed by these young men of St. Albert and the manner in which they conduct themselves on the field make them most worthy representatives of the town.

ST. ALBERT HERCULES

## PEE WEES - 2 LAUDERDALE ACES - 0

On Friday these two previously unbeaten teams delighted the largest crowd of spectators seen at Paul Kane this season with a fine display of soccer. The game was played in the atmosphere of a cup final and both teams deserve high praise for their efforts. Although the contingent from Edmonton had a physical advantage they could not match the determination and spirit of the St. Albert boys.

The visitors had a tricky forward line and C/F Pat Stewart posed a constant threat to the defence. St. Albert's L/H Jimmy Winters was the star of the match. His tackling interceptions and speedy recoveries constantly broke up the many dangerous rushes

of the visitors forwards. The first time kicking of L/B Dennis Mercer and his partner R/B "Buster" Burrows also helped to frustrate the opposition. C/F Gary Ferguson once again showed his talents by skillfully placing the ball past the goal keeper to register St. Albert's first goal after a scoreless first half. With ten minutes left in the game a low shot by star R/W Geoff Holden beat the goal keeper for St. Albert's second goal. Lauderdale continued to fight back and were thwarted by some fine saves by Gary Larsen. One particular dive by the Hercules goal tender to reach the ball on the goal line had the fans cheering and clapping. A very entertaining game and well deserved victory for the Hercules squad.

## ST. ALBERT HERCULES PEE WEES 3 - WELLINGTON PARK 0

Eight cars accompanied the Hercules team to Edmonton on Sunday to watch the boys in blue overcome another strong Edmonton team to register their 6th straight victory in league play.

Captain and C/H "Leadfoot" Verbeek won the toss and elected to play with the wind in the first half. The small size of the pitch and the goal area caused the team some bother and they did not strike their usual form until the later stages of the half. The Wellington goal tender was kept busy

## TOWN OF ST. ALBERT PUBLIC NOTICE.

Notice is hereby given that the Town of St. Albert is conducting a survey for possible usage of five (5) recently purchased utility buildings (size - 20 feet by 84 feet).

Any person, group or organization interested in proposing a use of these facilities is invited to submit information to the Town outlining the proposed use together with any further recommendation they may wish to offer.

Should a person, group or organization propose a specific use for one or more of these buildings, then a schedule of use must be included in the submission in order that alternate use of the building(s) can be arranged. The proposed location of the building(s) should also be included in the submission.

Written submissions in regard to the above will be received by the undersigned up to, 5:00 p.m. Monday, July 24th, 1967.

### NOTICE OF INTENTION TO CLOSE GOVERNMENT ROAD ALLOWANCE.

WHEREAS, the Council of the Town of St. Albert deems it necessary to close a portion of Government Road Allowance, hereinafter described.

NOTICE IS HEREBY GIVEN of the intention of the Council of the said Town to pass a By-law on the 24th day of July, A.D. 1967 for the purpose of closing that portion of the Government Road Allowance between River Lots 53 and 54, St. Albert Settlement, which lies within the extension of the Railroad Right-of-way, as shown on registered plan No. 9201 S, as it crosses the said Government Road Allowance, 440 (Four Hundred and Forty) feet South of Lakeview Drive.

AND THAT in accordance with Section 269 (1) of the Town and Village Act, R.S.A. 1955, as amended, the By-law shall be submitted to the Minister of Highways for his approval, prior to the final passing thereof;

AND THAT before the passing of the By-law, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the By-law and who petitions to be heard, shall be afforded an opportunity to be heard, either by himself, or his agent;

AND THAT a person occupying, owning or otherwise interested in land that sustains damages through the closing of the aforementioned Government Road Allowance, shall be compensated for such damages in accordance with the aforementioned Act.

Dated at St. Albert, this 16th Day of June A.D. 1967.

with the Hercules forwards pressing throughout. Despite numerous corner kicks and near misses only one goal was scored in the first half. I/L Alan Eschuk very alertly banged a Wellington goal kick straight between the posts before the goal tender could recover. In the second half the Hercules squad settled down to play a fine passing game. Wing halves Winters and Field were a strong combination for St. Albert and gave the forwards good support. The powerful boot of C/H "Leadfoot" Verbeek and the cool play of Burrows and Mercer in defence nullified any advantage the wind may have given the home team. St. Albert supporters

were treated to some adroit footwork by R/W Geoff Holden and neat passing by forwards Brown, Eschuk and Allison. C/F Gary Ferguson impressed with his fine positional play and was always a danger to the Wellington defence. He was on the spot to register St. Albert's second goal and later was unlucky after rounding the defence to see his shot hit a post. Gordie Brown made no mistake from close in to register the last goal of the match.

Walter Safety says,

# Public invited to Library opening

The general public will have an ideal opportunity to visit the new St. Albert Centennial Library on the occasion of its official opening on Saturday, June 24. Lieutenant-Governor Dr. J. W. Grant MacEwan will officiate at the ceremony and representatives from the Provincial and Federal Governments have also been invited. Invocation will be by the Rev. J. Musto and Father Lafrance.

Presentations of books by the I.O.D.E. and a painting by the Catholic Womens League will be made during the ceremonies, after which refreshments will be served.

Visitors touring the building will be able to see the Exhibition of painting by local artists on display in the Lecture Room. The new fountain by Sculptor Andersen will undoubtedly attract considerable interest as well.

Ceremonies begin at two o'clock and it will be a happy occasion for those able to attend, since this new Centennial Library is sure to give all local visitors a warm glow of pride.

## Concert

The Centennial Concert of St. Albert United Church Choir will take place on June 26 at 8:30 p.m. in the church. The concert, under the direction of Lillian Upright, will consist largely of Canadian music including anthems by three Edmonton composers, Violet Archer, Hugh Bancroft, and Richard Eaton.

The choir will be assisted by two Edmonton singers, mezzo soprano Merla Aikman and soprano Lucie Baril, both leading singers with the Edmonton Professional Opera Association, and frequent performers on radio and television. Merla Aikman will sing Violet Archer's "Three Biblical Songs", compositions she performed at Second Century Week with the composer.

"Cantiones Mysticae", a song cycle dedicated to Lois Marshall, will be performed by Lucie Baril.

THANK YOU AND

CONGRATULATIONS

## Ladies catalogue Library books

by Hennie Stibbe.

Four St. Albert ladies do not have as deep a suntan as other years. Four St. Albert gardens may not be as thoroughly weeded as is usually the case. And four St. Albert ladies are just plain pooped every Wednesday night. Why?? These four gals, Doris Harvey, Kay Belley, Lois Hill and Eileen Gibbon, ably assisted by occasional helpers, have been spending their Wednesday's ever since last April, down at the Fire Hall. They have quietly undertaken the gigantic task of cataloguing the more than 4,000 books collected by a group of 42 St. Albert women last year. To catalogue one book takes about 10 minutes. Three cards have to be typed out, one of which is pasted in the book. A code number is then written on the back of the book. So far, the girls have catalogued about 550 books, all adult fiction. The ladies will catalogue all books except Technical books. These will be done by the librarian. Other ladies who have helped out occasionally at the Wednesday Cataloguing Bees with sorting, typing and pasting are Bessie St. Hillaire, Lucille Hunt, Em Suter, Elsie Cameron, Susan Vanderstraten and Pal Peterson. Anyone interested in becoming a "book sorter" please phone Eileen Gibbon at 599-7614. There's a huge pile of books just waiting for YOU!

# Recreation News

The new tennis courts at Mission Park will be officially opened by Mayor R. S. Fowler on Sunday, July 2nd at 1:00 p.m.

For this occasion the St. Albert Tennis Club has arranged exhibition games by some of Alberta's finest tennis players. These games should be well worth seeing and help spark interest in this wonderful sport in St. Albert. A good turn-out is expected and the younger citizens are specially invited to come and see tennis at its best.

For further information regarding membership etc. please phone Mrs. Edna Harris secretary of the club at 599-8123.

Tennis, everyone!

## SWIMMING POOL:

Swimming classes are continuing to be very well attended at the pool and many children have now successfully passed their examina-

## MAYORS COLUMN

Continued from page 1

Town and make up the deficit figure by an outright grant to the Town without any strings attached whatsoever. I do not believe I am incorrect in assuming that a large part of the Town's population fully expect an arena to be built this Summer.

The petitioners may well believe that once a petition is laid at the doorstep of Town Hall that this will successfully halt the construction of an arena. I wish to advise that such is not the case by any means. All the petition will do is force the Town to hold a plebiscite which I will recommend to Council that we do immediately. It is unfortunate that this plebiscite could be at an extra cost of one thousand dollars at least to the ratepayers and it is also unfortunate that in such a plebiscite the affirmative votes are only worth half the negative votes. In other words, if a plebiscite is presented to the electorate in St. Albert, it must be passed by two-thirds of the proprietary electors. Once again the petitioners may think that if they turn out 35% against the By-law, they will have successfully defeated the arena. Such is not the case at all. I believe that Council has a moral obligation to complete the structures proposed under the original Recreation By-law and we should do so with expediency. One will obviously ask what Council is empowered to do should 34% of the proprietary electorate turn the By-law down.

If the petition is successful in forcing the Council to take this By-law to a plebiscite and the subsequent plebiscite does not indicate the true wishes of at least a simple majority in St. Albert, I will be prepared to recommend to Town Council that we consider placing up to four mills on the 1967 mill rate in order to raise the necessary Fifty Thousand dollars to complete the arena. As stated previously, I am of the firm conviction that we have a moral obligation to complete this arena facility now that we have completed the swimming pool and the tennis courts. There is not a Town or City in the Province of Alberta with a population equal to that of St. Albert which does not have a closed-in ice arena. Ours is within our grasp and we should proceed immediately before construction costs rise any further.

tions and gone on to the next stage in their swimming careers. Classes will, of course be continued on into July and August. Practically every age group is being catered for as far as instruction is concerned and several special classes are being added to the curriculum. For information regarding swimming instruction, life-saving, synchronized swimming, competitive diving or water polo, also competitive swimming, please phone the Parks and Rec. Dept. at the Town Hall - 599-6601 ext. 35 or 36.

In order that the instructional classes may start at the scheduled times, it is necessary to curtail public swimming slightly so that the pool may be cleared, and to some extent, the locker rooms. So it may be that swimmers are at times denied entry to the pool and this has led to some misunderstanding. We are not being awkward, we are simply ensuring that people are not put to the inconvenience of preparing to swim and then not having time to do so.

## SENIOR CITIZENS

The Senior Citizens are having a tea and bazaar on Friday, June 23 at 2:00 p.m. in the basement of the Roman Catholic Church.

A lot of hard work has gone into this project and we are sure that the citizens of St. Albert will be very interested in seeing the crafts and handwork which has been completed by our elder citizens. Everyone is welcome remember the date: June 23 and the time: 2:00 p.m.

## LODE FOUNTAIN

Continued from page 1

spot, where people can pause and ponder". The fountain compliments the modern design of the library perfectly, as it stands on the lower floor, stretching gracefully up into the open stairway.

The ladies of the I.O.D.E. decided on a fountain as their Centennial Project after hearing a speech by Canada's Centennial Commissioner, John Fisher, in which Mr. Fisher pleaded for more fountains in Canada. The members of the I.O.D.E. have always been vitally interested in the St. Albert Library. Through their annual "Bouquets for Books" Flower Sale, by catering to teas and receptions, by selling Centennial spoons, by holding Bridge Parties and a Bazaar this group of hard working, community minded ladies have, in addition to purchasing the fountain, made available to the library well in excess of \$1000 during the past four years. The well-stocked childrens section of the library is a direct result of this valued contribution!

The Father LaCombe Chapter of the I.O.D.E. is to be heartily congratulated on the fine work it is doing to make St. Albert a better place in which to live.

## St. Albert Creative Schools Society

Has vacancies in its NURSERY SCHOOL & KINDERGARTEN for children three and a half to five and a half years of age.

599-6501

or

599-3484

The 25 girls of the 7th St. Albert Brownie Pack made a presentation to the library of books and magazines to make up a reference section on the Guide and Brownie movement. Cathy Olson spoke on behalf of the Pack and Mrs. Johnson of the Library Board graciously accepted the gift last Wednesday evening. The Brownies were accompanied by their leader Mrs. B. McBroom and assistant leader Mrs. Bosiak on this happy occasion, and are to be congratulated on their community-minded project.

## Around Town

Canada Safeway has donated \$50 to the Hercules Soccer Club for uniforms. Mr. and Mrs. Hopkins have personally donated some socks and the St. Albert soccer teams are looking smarter every week. (They're playing pretty smartly too!) Fans can see them in action at Earl Kane next Tuesday and Thursday. Two more league wins will give our Bantams the Northern Zone Championship.

Be sure and catch the Art Exhibition at the new library while it is on display in the Lecture Room this week. The interesting variety of work featured is all by local artists. It may be seen any day this week during regular library hours: Tuesday (7-9 p.m.) Wednesday (2-4 p.m.) Friday (7-9 p.m.) and Saturday 1-5 p.m. The library is closed on Monday and Thursday.

In preparation for their big Family Picnic on July 1st, the St. Albert Lions have been busy at the Lions Park. The picnic shelter is a fine new facility there and they have also added camp stoves, drinking fountain and other improvements, at the cost of several thousand dollars and a number of stiff and sore Lions bodies.

## THEY NEED HELP

Continued from page 1

Perhaps you can't talk at all, no matter how hard you try. When your little one speaks to you, it may sound like nonsense, when you know that he or she was quite able to explain the situation to you much easier the previous day. The man, woman or child with the condition called aphasia may begin by having an experience just like this one. Suddenly he lives in a world of "scrambled" communication. If there is some one with aphasia in your family, or neighborhood, you will discover that this person needs special schooling to help him in his recovery.

This schooling is available to children, both pre-schoolers and school-aged boys and girls in Edmonton on a regular five day basis. What is needed is a regular bus service that will pick-up the children and deliver them to the schools and then return them to their home in the afternoon.

The same situation exists for many other illnesses, schools and hospital treatment are readily available if the means to get them to the institutions were provided.

The Knights of Columbus in St. Albert are undertaking a centennial project to raise the funds necessary to purchase a special school-bus for our handicapped. The night selected for the door-to-door blitz is Thursday,

## Anglican News

Parishioners gathered last Saturday evening to bid farewell to those families which will be moving from St. Albert during the summer. The Thompsons, the Baxandalls, the Proudfoots, the Knowles and the Roberts have all been very active in building up the parish life and their contribution will greatly be missed in the fall. The barbecue, which was delayed due to the recent unsuitable weather was held on the parklike lawns and woods of the residence of Mr. and Mrs. Yuskiw. Mr. A. Dick and Mrs. O. Grice were in charge of the arrangements.

June 29th, starting at 6:30 p.m. Will you be home to greet the canvasser when he or she calls? Why not volunteer your services to help in the canvass. Many more canvassers are still needed if the blitz is going to reach each home in our town. If you do have the time, then please call Paul Shelemey at 599-8386 and sign up. Over \$6,000. is required for the purchase of the bus, let it not be said that the people of St. Albert don't really care about their handicapped neighbors.

## Students to present piano recital

A Centennial project of several St. Albert children has been becoming acquainted with some Canadian composers and their music. These students, pupils of Mrs. Lillian Upright, will present a piano recital on Sunday, June 25 at 7:30 p.m. in the United Church, to which the public is invited. Those taking part will be Martha Sandomirsky, Mark Ratchinsky, Donna Moskalyk, Leslie Wellman, Joan McQuitty, Catherine Goodkey, Lois Peacock, Sherry Miller, Janice Unterschultz, Patricia Nickerson, Holly Nickerson, Patricia Stretch and Lillian Upright.

Sherry Miller and Janice Unterschultz, first prize winner in the recent Centennial Talent Contest, will perform several duets which they played during the visit of Centennial Commissioner John Fisher, to St. Albert. A flute solo will be played by David Upright, second prize winner in the Centennial Talent Contest.

## OUTWARD BOUND

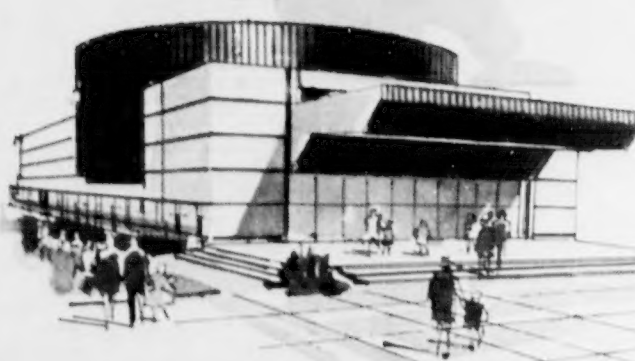

Continued from page 1

By June 2nd ten students were ready for the camping trip to the Pembina River Provincial Park, with tents, camping gear and food all packed. The young people, accompanied by the three teachers left after school on June 2nd for 4 days of camping and hiking. Hiking tours included visits to Evansburg, Entwistle and the home ranch of Alberta's famed horsewoman, Gail Ross.

Cost to students taking part was \$6.65 each with \$1. of that amount retained for personal spending. They were Chris Brothen, Bill Gowans, Carey Wong, Steve Hughes, James Tinning, Barbara Fleming, Jan Suter, Linda Yeates, Dianne Campbell and Sheryl Clelland.

This is a group of young people who benefited from the kind of extra-duty interest which communities often enjoy from members of the teaching profession, and Mr. Denney, Mr. Anderson and Mrs. Roberts are to be commended for a fine centennial project completed.

## AGT PART OF EXPO '67

While you're at Expo 67, AGT invites you to visit the magnificent Telephone Pavilion sponsored by the Telephone Association of Canada.

Your whole family will be fascinated by the unique Circle Vision movie about this great country and its people.

You'll also see informative and entertaining displays of the latest advances in telephone technology.

Visit us there, won't you?

AGT

ALBERTA GOVERNMENT TELEPHONES

Wednesday, June 21, 1967

Rev. Sister Odile, 69, who has spent 43 years at Notre Dame Convent in Morinville, and who will be celebrating her Golden Jubilee in 1969, left this week for the Mother House of "Les Filles De

Jesus" in Three Rivers P.Q. She is now retired, and will visit her only living sister Rev. Sister Rene, also retired in the East, and other members of her family.

## Morinville honours departing Sisters

On Sunday evening, the residents of Morinville hosted a farewell tea and reception for nine members of Notre Dame Convent, representing a total of 161 years of educational and community services, who are leaving the community. Mr. Tom Houle, president of the Morinville Church Council, and Reverend Father Armand Beaupre were in charge of arrangements, and special guests, included Rev. Mother Provincial, Sister Gertrude of Edmonton, and Reverend Mother Superior from Notre Dame Convent.

The nine members of the congregation "Les Filles de Jesus" who are leaving are: Rev. Sister Odile Marie - in charge of maintenance and gardens for 43 years, will return to the Mother House in P.Q. Rev. Sister Anysie - elementary school teacher for the past 34 years has been transferred to Picardville, Alberta. Rev. Sister Anna - who served 28 years as music teacher, choir director and church organist will be posted in the East. Rev. Sister Hector - in charge of the laundry for the past 22 years, has been transferred to Maison St. Joseph in Edmonton.

Rev. Sister Benoit - chief of cuisine at Notre Dame Convent for 13 years will take charge of the Convent kitchen at Plamondon. Rev. Sister

Agnes Joseph - principal of Thibault School for the past 8 years will now serve as Mother Superior at Pincher Creek. Rev. Sister Charles - high school teacher for the past six years has been transferred to Plamondon. Rev. Sister Theresa - kindergarten teacher at Notre Dame Convent for the past four years, will be sadly missed by all her little ones. Rev. Sister Monica - student at Thibault School for the past two years, and in charge of the Alter decoration in the church.

Mr. Matt Tellier speaking for the community expressed the thanks of all for the good and devoted service of the Sisters. Rev. Father Primeau, also thanked the Rev. Sisters for their work among the children of the district, and praised them for their contribution to the parish. Sister Agnes-Joseph spoke on behalf of her departing companions and herself. She thanked the people of Morinville for their support and good wishes.

Luncheon was served by a group of invited ladies from the parish at tea tables decorated with lilacs. The atmosphere was very informal and many former students came to say goodbye to Sisters Odile and Anysie who have been a part of Notre Dame for so many years, and to wish them well in their new locations.

## activities for young people

Girls, who are 17 - 26 years of age, with an interest in the dairy industry may wish to compete for the title of Alberta Dairy Princess.

The final competition will be held at the Edmonton Exhibition July 24 - 28.

The winner reigns as Alberta Dairy Princess for a year and then gets an opp-

portunity to represent Alberta at the National finals held in Toronto at the Canadian National Exhibition. Last year's National winner won an all-expense paid trip to Europe.

A descriptive brochure is available from our office for any girls interested in the competition.

# Frontier Daze at Morinville

Morinville is getting set for an invasion this weekend. A crowd of out-of-town visitors (including many former district people) are expected to join the local residents in "living it up" at the Frontier Daze celebrations Saturday and Sunday.

The Teen crowd will get the action started at a big dance Friday evening with the "Sons of Adam" band. Everybody from 3 to 93 will be up early Saturday for the outdoor STREET BREAK-FAST being served free from 7:30 to 9:30.

Then it's "Here Comes the Parade" - and who will be able to resist the marching music of the Bands? The Edmonton City Police pipe band, Hillcrest School band, Edmonton Fire Department band, Legal and St. Albert Air Cadet bands and more. Leading the parade will be none other than Roger Bourbonnais, home town hockey star. 80 or more entries are expected to make up the

colorful frontier parade.

Midway opens at 11:30 with rides, concessions, games and children's activities. Don't miss the ESSO N.H.L. tent and Bruce MacGregor, Detroit Red Wing Star - all visitors are eligible for a draw on an expense paid trip for two to the NHL city of their choice.

Baseball fans will find plenty of hard, fast baseball action when the 8-team tournament gets underway at noon Saturday - finals go at 6 p.m. Sunday. Every two hours you can catch the Variety Show at the Bandshell, featuring acts from Edmonton, St. Albert, Morinville, Legal, Bon Accord and surrounding areas.

Frontier Jane and "Les Girls" chorus line will be entertaining at all Frontier Daze activities, so be sure to catch their act, a feast for the eyes. Feasts for the stomach are also lined up at the International Foods restaurant and at the Giant Texas Pit Bar-B-Q at 5 o'

clock Saturday. But that's not all - Mulligan Stew is on for Sunday at 5.

Beard judging and Bonanza Draw will be done at the grounds Saturday evening before the action moves to the Rec Centre where the Queen's Ball will feature dancing and crowning ceremonies, and the Teens have their own dance going.

The big show continues from noon till dark on Sunday with fun for all the family. Morinville's Cool Spoolers, qualified baby sitters will be on hand to provide baby-sitting at a nominal sum.

Don you Frontier regalia (Klondike togs will double nicely) and join the fun loving crowd at Frontier Daze in Morinville this weekend.

Mr. Louis J. Calder, United Grain Growers agent at Morinville was recently recognized as a winner of the top ten dealers for the highest record of sales in General Insurance (New Business only) for the year 1966 in Western Canada.

In recognition of this out-

standing achievement, Mr. Calder was presented with a plaque from the Company which he displays in the above photo.

The management and its large number of members extend their congratulations for this fine achievement.

## M.D. reviews budget estimates

RECONVENED COUNCIL MEETING May 12/67.

Present were Councillors G. Wilson, L. Rye, W. Flynn, S. Walker, L. Kluthe, W. Van de Walle, D. Bevington and Secretary-Treasurer N. Nobert.

Reeve Walker reconvened the meeting at 9:15 a.m.

1967 MUNICIPAL BUDGET: ESTIMATES OF REVENUES AND EXPENDITURES:

Each Council member was

provided with a copy of the Secretary Treasurer's recommendations to the Council in regard to Estimated revenues and expenditures for 1967. The estimates were carefully reviewed by the Council and explanations given by the Secretary Treasurer as to the various item estimates.

MOVED that the Council approve and adopt the 1967 Municipal Estimated Expenditure and Revenue Budget.

## CWL sponsors film on V.D.

The Morinville C.W.L. sponsored films on Venereal Diseases at the Thibault High School auditorium on Friday June 2. Our local health nurse, Mrs. Lorraine Kremer was in attendance and arranged to have Mrs. J. D. Hanna supervisor of the division of social hygiene present to give first hand information on these diseases, and statistics for the province. A very interesting discussion followed the films, and every one present felt they had acquired a great deal of important information.

Some of the main items of interest were - 1. Anyone

that may have contacted these diseases can receive free treatment at the Social Hygiene Clinic in the Alberta Jasper Building 9815-Jasper Ave, Edmonton. 2. All cases are kept strictly confidential and in the case of young people even the parents are not notified unless the patient so wishes. 3. The personnel at the clinic are all specially trained to understand the physical and emotional aspects of these diseases, and do not reprimand anyone.

It is very important that anyone who feels they might be infected seek assistance.

DRAINAGE PROBLEM:

Bland Bros. Ricard and McLaughlin, Sections 28, 29, 32, 33 - 55 - 24 - 4.

MOVED that the Council refer this problem to the Public Works Committee for investigation as to the proper location for drainage, feasibility and estimated cost of the project, pursuant to the delegations request.

ALLANSHOLME SUBDIVISION-S.E. 23-53-24-4

Messrs. C. Horricks and H. Cresswell interviewed the Council in regard to the existing drainage problem at the above described location. They stated that a natural water course or ditch had been filled with dirt by Nichols Trailer Court operator and had plugged the drainage thus causing flooding conditions to adjacent properties. The Council informed the delegation that the members were fully aware of the flooding conditions existing caused by the filled dirt in the water course but stated that this was legal civil action to be taken by the owners affected against Nichols Trailer Court for filling the natural water course.

AGRICULTURAL SERVICE BOARD'S RECOMMENDATIONS Re: Mr. Bergevin's Dismissal - The Secretary Treasurer left the meeting at this point so that the Council Members could discuss this

matter as a Committee of the Council.

Mr. Flynn, Chairman of the A.S.B., submitted to the Council on behalf of the Board, the Board's reasons for recommending Mr. Bergevin's termination of employment as Agricultural Fieldman.

MOVED that the Council submit to the Municipal Solicitor, Mr. B. Lavallee, the A.S.B. reasons for recommending to the Council Mr. Bergevin's termination of employment as the Municipal Agricultural Fieldman.

MIKE AND OLGA MOYSEY (Formerly Haven of Rest) Pt. NW 9-54-23-4

Letter from Mr. E. J. Walter of Brownlee, Fryett, Gesses and Walker, was read to the Council. Mr. Walker stated that he had advised Mr. Moysey's solicitor that he was giving Mr. Moysey one week for vacating all dwellings except for one house on voluntary basis otherwise he would be forced to take legal action immediately.

ROAD WIDENING LAND EXPROPRIATION N 1/2 34-55-25-4

Committee of the Council, consisting of Messrs Walker and Wilson, informed the members that they had discussed this matter with Mr. A. Brownlee who suggested that this Municipality hire a land appraiser to appraise lands involved in said case.

# Rodeo Week-end draws tremendous crowds to St. Albert

The Bonanza Breakfast provided by the Grandin Merchants Association was a whopping success with Rodeo fans. An estimated 2700 people were served 350 lbs of sausage and 125 lbs pancake mix, according to Mr. John van Donselaar, of St. Albert Dry Cleaners, who was in charge of arrangements. Mayor Fowler (2nd from right) and Councillors helped out with the serving. (Councillor Ray Gibbon pictured at right).

Gazette Photo.

It looked like a bad start and the old *jinx* all over again, but the St. Albert Kinsmen were all smiles Sunday night when their Rodeo 106 week-end finished in a blaze of fireworks. The event attracted tremendous crowds and had to be one of the biggest week-ends ever in St. Albert. Estimates

of crowds vary from 15 to 20 thousand and everybody had a wonderful time. Events ran smoothly and all their planning and hard work was certainly worth the results achieved from the opening breakfast, through a grand parade to Sunday's Rodeo action, plus all the side at-

ractions.

Mr. Bill Horne was the winner of the Kinsmen \$1000 bill, while Mr. R. L. Nichols of Edmonton picked up 106 Silver Dollars from the St. Albert Volunteer Fire Department. The Delwood Community League Camping Trailer went to R. S. Shanley of 7055-132A Avenue, Ed-

monton.

There is still a lot of clean-up jobs to do after the most successful rodeo in three years trying, and any benefits will be used by the Kinsmen for community service project, Tot Lots etc.

Nothing like a pipe band to add colour to a parade.

These boys of our fire brigade got a laugh by the thousands as they travelled the parade route.

The colorful Rocky Mountain House entry, was welcomed enthusiastically.

Bermont Realty, The Most Crowd Pleasing Entry in the parade.

## Legal Ladies shower bride

Sunday afternoon Miss Paulette Regimbald was showered at a miscellaneous shower in the Community Centre with some 80 ladies attending. To the music of a beautiful waltz Miss Regimbald entered with her mother, followed by her two future bridesmaids Misses Louise Regimbald and Irene Tieulle. Seated at the head table which was beautifully decorated with flowers centred with a novelty bride figure was the guest of honor, her mother Mrs. Leo Regimbald and her grandmother Mrs. Desmarais. A variety of games were enjoyed by everyone and the lucky door prize winner was Mrs. Laurana Cyr.

## Disrict road contract let

The Honourable Gordon E. Taylor Minister of Highways announced today the awarding of a contract covering Grading and Soil-Cement Base Course on Highway #2 from south of Legal to south of Vimy and Junction Highway #2 to Legal, a distance of approximately 12 miles, to W. C. Wells Construction Co. Ltd., Edmonton, Alberta at a cost of \$854,390.00. Other tenders received on this project are as follows:- Peter Kiewit Sons Co. of Canada Ltd., Edmonton - \$865,177.72. Poole Engineering Co. Ltd. Edmonton - \$889,023.99. Gallelli and Sons Co. Ltd. Calgary - \$946,266.57.

## Sturgeon Gas Co - op FORMED

by Audrey Gibson.

On June 13, in the Namao Community Hall a meeting was held at which the interim board set forth their recommendations. The group unanimously decided to negotiate with Plains Western Gas Co. Ltd., at a cost of \$750 per farm customer. The interim board members voted to form a Sturgeon Gas Co-op through which its members may make financing arrangements. A down payment of \$75.00 must be paid by each farmer with the balance of \$675.00 payable in equal yearly amounts for ten years as \$67.50 per year at current bank interest rates.

Everyone interested in getting gas signed a form to indicate this, and will be contacted in a few days so that an early start can be made to begin gas service this year. Anyone interested who was not at the meeting may phone 433-7741. Consumer Utility Development Ltd., Room 203, 8540-109 St. Edmonton.

## Legal

One year old Carmen Mercier drew the lucky ticket for the Centennial Cake Bake by Mrs. Roland Demers, that was raffled at the bake sale. Mrs. Jean-Pierre Letourneau was the lucky winner.

With a few well chosen words Paulette thanked the hostesses Mrs. Lin L'Heureux and Miss Irene Tieulle, also for all the beautiful and useful gifts, received. She invited everyone to attend their wedding dance on July 3rd. at the Legal Community Centre. Miss Regimbald is the bride elect of Mr. Raymond Trembley of St. Isidore.

## New Park

Alberta's 44th Provincial Park has been established on the west side of Pigeon Lake. It was announced by Hon. H.A. Ruste, Alberta Minister of Lands and Forests.

Pigeon Lake Provincial Park will be 313 acres in size and is located in parts of the North half and South

## Coronado UCW plans vacation school

The monthly meeting of the Coronado U.C.W. Unit 11 was held Wed. June 7, at the home of Pat Briggs with 9 members present.

Worship was given by Betty Hofs entitled "The Definition of a Christian". It was decided that future meetings for the summer would be held at the church hall. The next meeting will be Wednesday, July 5, Lunch will be served by Jan Smith and Mary Montpellier.

Special thanks are to be given to some of the members of the Gibbons Guides who babysat at the Mothers' Day Tea, Kathy Chipchar,

## Namao news

### Announcement.

The Cubs' ANNUAL BANQUET will be held on July 31 at the Namao Community Hall. Tickets will be \$1.75 and can be purchased from club members anytime after the end of June.

Mr. and Mrs. Jack McLay have left on a trip to Expo in Montreal.

Group 1 of Namao U.C.W. met June 14 at the home of Mrs. John Crozier.

Group 2 of Namao U.C.W. met June 12 at the home of Mrs. D. Potter.

east quarter of Section 6 and part of the Southwest quarter of Section 7, in Township 47, Range 1, west of the 5th Meridian.

Gail Michaud, Peggy Williams, Janice Fraser and Tracy Mabbatt.

It was decided to have vacation school July 24 - 29. All children are welcome, an undenominational course

# Morinville Memos

Congratulations to Miss Sylvia Champagne who successfully completed a seminar on Credit Union business and received her diploma. Miss Champagne is employed by the Morinville Savings and Credit Union Ltd.

Rev. Father G. H. Primeau returned from Montreal last Sunday, after a week of conferences on Recreation and visited Expo '67.

Sincere expressions of sympathy are extended to Mr. Robert Lanouette and family on the recent death of his father, Wilbrod Joseph Lanouette, formerly of Vimy. Mr. Lanouette, was 69 years of age. Funeral services were held in Vimy and interment in the church cemetery.

Private funeral services were held last week for baby Denis Arbour, grandson of Mr. and Mrs. Harve Arbour who died suddenly at home. Interment took place in the church cemetery with Rev. Father Beaupre officiating.

On Tuesday of this week, Rev. Father Armand Beaupre left by car for a trip to P.Q. where he will officiate at the wedding of his sister Miss Monique Beaupre, on Saturday, June 24, in St. Joseph de Quebec Church, Quebec City. Father Beaupre is accompanied on his Eastern trip by four Morinville High School students: Randy Kryskow, Denis Charest, Kenneth Saunders, and Denis Leduc. They are scheduled to return on July 20. Bon Voyage, boys, enjoy your trip to Expo '67.

Mr. and Mrs. Ubald Chevalier are enjoying a motor trip to Pontex, Sask. where they are visiting relatives.

Mr. and Mrs. Arthur Pugliese travelled to Milette Hot Springs in Jasper Park last weekend.

Mrs. Leonard Hilton of Calgary, was a recent visitor in Morinville on the occasion of her niece's wedding. While here she visited at the home of Mr. and Mrs. Raymond Gibeau.

Mr. and Mrs. Octave Himshoat and family, accompanied by Mrs. T. Himshoat motored to Jasper for the

## Horse Hills Sports Day

The Horse Hill Community League is planning a Sports Day on July 15th, when events will get underway at ten o'clock in the morning. An Old Timers Ball Game, Horseshoe tournaments, Girls' Fastball and Boys' Baseball will be featured, plus Tug-O-War contests for the stronger types.

Concession booths will be open all day at the grounds and everybody is welcome to come and enjoy the Sports Day.

Natural gas from Alberta is carried across Canada by pipelines, from British Columbia to Quebec, and across the border to cities in the northern United States.

## Lorraine Labonte weds Victor Baich

St. John the Baptist Church in Morinville was the scene of a lovely mid afternoon double ring marriage ceremony on June 12, when Miss Lorraine Labonte, daughter of Mr. and Mrs. Wilfred Labonte of Morinville, and Mr. Victor Baich, son of Mr. and Mrs. Tony Baich of Rocky Mountain House, exchanged vows before Rev. Father Armand Beaupre who celebrated Marriage Mass.

Given in marriage by her father, the bride chose a A-line gown of white organza with an overlay of lace. A cathedral train flowing from the shoulder had lace appliques matching the lace of her gown. A large white bridal rose held her shoulder length french tulle veil and she carried a cascade bouquet of red roses. Her two brides-

maids, Miss Doris Gamache and Miss Sharon Wiley wore identical pastel blue floor length gowns of rayon crepe, featuring lace bodices and empire waistlines. Each had a large white rose as hair ornaments and their gloves and accessories were white. They carried cascades of white mums.

The best man was Mr. Raoul Labonte and other groom attendant was Mr. Robert Baich. Mrs. Leon Riopel was organist and Mr. Adolphe Boissonnault the soloist.

Following the ceremony a reception and banquet was held at Club Mocombo for some 80 guests. Mr. Roland Gamache, M.C. called on Mr. Arthur Soeteart who proposed a toast to the bride.

Continued on Page 7

## Morinville girl showered

On Sunday May 21, Miss Carol Lirondelle was honoured guest at a Miscellaneous bridal shower, held at the Legion Club. About 65 ladies were on hand to offer their gifts and extend their best wishes of happiness. The afternoon was spent playing games, and prizes were awarded the lucky winners. Mrs. Georges Leduc, grandmother of the bride

won the door prize.

Miss Lirondelle then thanked Mrs. Vandenhouten, Miss Warahowski, Miss Nadeau, and Miss Vandenhouten who had organized the shower in her honour and all the ladies present for the gifts she received.

Miss Lirondelle is bride-elect of June 10, when she will become the bride of Mr. Leonard Boisvert at St. John

the Baptist Church in Morinville.

Seated at the bride's table were her mother, Mrs. Elie Lirondelle, the groom's mother Mrs. Ralph Boisvert the bridal attendants Miss Linda Warahowski, Miss Pauline Nadeau, Miss Carmen Vandenhouten and petite Vivian Vandenhouten.

After a display of beautiful gifts Vivian presented Miss Lirondelle with a bouquet of flowers. A delicious lunch was served the ladies by the hostesses in charge. For her shower Miss Lirondelle chose a yellow sheath dress with brown accessories.

weekend where they visited with Rev. Sister Alphonse, Mrs. T. Himshoat's sister, posted at the local hospital. Mr. and Mrs. Octave Himshoat also visited Mr. and Mrs. William Demers, Mrs. Octave Himshoat's parents, who are staying in Jasper for the summer months.

Lion District Governor Arthur Stapleton and Mrs. Stapleton, travelled to Peace River country last week for a three day tour of Lions International official visits. They returned late Sunday evening.

Professor Joe Surette, Morinville music teacher, left for the Maritimes this week, where he will tour on a special Centennial Concert as violinist, accompanied by a former pupil at the piano. Professor Surette will return in mid August to prepare for his 1967-68 music

classes.

This week, the 1967 Frontier Daze Queen will be crowned at the Coronation Ball to be held on Saturday evening at the Morinville Centre. All five contestants are to be complimented for their good work since April last.

The beard growing contest will also be judged this weekend. Some pretty black beards are sure to be winners. We wager some wives will be happy to buy new razor blades for their husbands after next Sunday.

The name contest closed on June 15th, for the man made lake. The members of the Morinville Town Council will choose from some 100 entries and the prize winners will be announced during the Frontier Daze celebrations.

## Important Notice to Ratepayers

M.D. OF STURGEON NO. 90, CENTENNIAL PROJECT:

The Agricultural Service Board, in conjunction with the M. D. Council, is to landscape and dedicate a special park, south of the Administration Office, to the Agricultural Pioneers of this Municipality. The names of pioneer families will be inscribed on plaques attached to a Centennial Memorial which will be erected in the Park. This honorary scroll will bear the names of farm families who were established on farms in this Municipality prior to and including the year 1900 and said families or direct descendants who still reside and actively farm in this Municipality as of this year.

We are requesting the co-operation of every ratepayer to submit to this Office, the names of farm families qualifying under the above mentioned conditions and that with the names submitted, sufficient proof is provided to justify the inscription.

The Board, Council and Office Personnel are not to be held responsible for any omissions of farm family names. We are therefore soliciting every ratepayer's co-operation to submit qualifying names with sufficient proof prior to June 30, 1967.

Anticipating receiving your full co-operation, we thank you.

Alphonse Nobert,  
Secretary Treasurer.

## Breakdowns squeezing your profits?

## Keep machinery on the job with our Texaco Farm Products

Breakdowns mean downtime—for both men and machinery. They cut into crop yields—and profits.

Best way to avoid breakdowns? Texaco farm products—timely service and lubrication for every piece of

equipment on your farm. They help you increase equipment life and cut maintenance costs... decrease fuel consumption... keep equipment on the job.

Protect your machinery with the finest petroleum products—from Texaco: Marfak Lubricant, Havoline Motor Oil, Multigrade Lubricant EP, Regal Oils for hydraulics, Fire Chief gasoline.

If you're not using our Texaco Farm Products, let's talk it over.

Labonte-Baich  
Continued From Page 6

For her daughter's wedding, Mrs. Labonte chose a French Blue brocade dress with white hat and accessories and a pink rose on corsage. Mrs. Baich wore an ensemble of ice blue nylon rayon lace complemented by white hat and accessories and a corsage of white carnations.

For her honeymoon trip to Jasper and the West Coast, the bride chose an off-white coat and suit with beige and matching beige accessories. Mr. and Mrs. Victor Baich will make their home in Rocky Mountain House.

## Trophies presented Legal Air Cadets

On June 14th, 1967, the Legal Aid Cadets had their year end Annual Inspection and Banquet.

The reviewing officer was S/L Diamond accompanied by F/L Coghill of the A.C. L.O.'s office and Mr. Holmgren of the Provincial Air Cadet League.

The following trophies were presented for outstanding Cadets during the 1966-67 season: Northwest Utilities Ltd. represented by Mr. Gleason presented

W/O Prevost with a trophy for the outstanding Cadet of the year. The Ladies of St. Anne represented by Mrs. L. Montpetit presented Dwaine Montpetit with a trophy for the best athlete of the year. The K. of C. represented by Mr. R. Boissoneault presented Sgt. G. Regimbald a trophy for the best bandsman. The Canadian Legion Branch 265 Legal represented by Mr. M. Prevost presented Bruce McKeith with a trophy for

the outstanding first year Cadet. The Legal Co-op donated a trophy which was presented by S/L Diamond to Cpl. Marcel Letourneau for the best marksman. The Air Cadets of Legal represented by F/S Dubois presented Mr. Joe Derrier with a plaque of appreciation for unflinching services towards Air Cadets for the past fourteen years.

Next season the Canadian Legion will be replaced by the Knights of Columbus as the sponsoring Committee.

Two Cadets were picked to attend two weeks summer camp in St. Jean, Quebec at which time they will attend Expo in Montreal and visit Ottawa and Quebec City. The two Cadets are F/S Dubois and Sgt. Regimbald.

Seven Cadets were also named to attend Summer Camp in Penhold.

The 1967-68 season will commence in September 1967 and all boys between the age of thirteen and nineteen are welcome.

## George Tolsma shows Grand Champion

On June 3rd the Sturgeon Valley Dairy Club held its annual Achievement Day at the Crozier brothers dairy farm.

In the calf class the placings were as follows:- 1. George Tolsma, 2. Doug Crozier, 4. Collen Crozier, 5. Wayne Unterschultz, 6. Brian Clark, 7. Joan Ebbes, 8. Ken Crozier, 9. Jim Crozier, 10. Francois Huber.

Yearling class places were: 1. John Ebbes, 2. Wayne Unterschultz, 3. Doug Crozier, 4. Lee Crozier, 5. Collen Crozier, 6. Brian Clark, 7. Ken Crozier.

Two year old class were: 1. Wayne Unterschultz, 2. Lee Crozier, 3. Ken Crozier.

Herd class which consists of any member showing animals in all of the three previous classes then were eligible to show the three together as a group: 1. Wayne Unterschultz, 2. Lee Crozier, 3. Ken Crozier.

Grand Champion is chosen by taking the top two animals from the calf, yearling, and

two year old class and competing them against each other: 1st - George Tolsma, (Grand Champion) and Lee Crozier - Reserve Champion.

Special thanks are extended to the Crozier brothers for the use of the barn and its facilities, also thanks to the cattle judge Doug Benard and Bob Gibb for judging showmanship, grooming and the signs which the members displayed above their cattle. Also the club would like

to express their thanks to all who attended, and help make this day a success.
